

Via Venture Partners opens in Stockholm

Press release

March 1, 2010

Via Venture Partners Stockholm office is now formally opened. After operating out of the Danish office in Hellerup, Copenhagen Denmark, Via's two Swedish Partners Anders Grånäs and Anders Lindqvist will now work fulltime from Stockholm.

“ As of today we have made 4 investments in Sweden, with Projectplace and Plusfoursix being the latest addition to Via Ventures portfolio. We look very much forward to continue to back the strong Swedish entrepreneur community thru our SEK 1,25 Billion Fund “ says Anders Lindqvist.

John Helmsøe-Zinck, Managing Partner at Via Venture Partners says: “ With our Swedish Partners now fulltime in Stockholm, we feel we have a very strong experience base and presence in the Swedish market and will be able to even more actively pursue the investment opportunities we perceive exist in the Swedish market”.

Via Venture Partners new office is located in modern offices on Florigatan in downtown Stockholm.
