

KICKSTART YOUR INVESTMENT CAREER IN A LEADING PRIVATE EQUITY FIRM

VIA EQUITY IS LOOKING FOR FULL TIME INVESTMENT ANALYSTS TO JOIN OUR TEAM IN COPENHAGEN

ROLE

VIA equity is looking for curious and ambitious individuals to join our investment team. We provide a unique opportunity to work with financial, operational, and strategic challenges in a supportive and professional environment that values work-life balance.

As an investment analyst you will be an integrated part of VIA's investment team and assist in the entire investment cycle including deal origination, screening, due diligence, negotiation of terms and conditions, portfolio management and exit processes.

In particular, your responsibilities will include:

- Working with diverse teams to screen and/or evaluate potential investments, including meeting and assessing management teams and supporting financial and commercial due diligence work streams.
- Market and industry research.
- Preparation of financial valuation models and presentations of potential investments.
- Assisting on specific development projects within portfolio companies.

The position will be in Copenhagen and will require some travelling, primarily in the Nordic countries, but also to the DACH-region.

ABOUT VIA EQUITY

Headquartered in Copenhagen, VIA equity is a leading Northern European private equity firm investing in software and IT-service companies. VIA focus on buyouts of profitable small to mid-sized companies in the Nordics and DACH region. VIA equity has a history of excellent returns and is currently ranked as the world's 3rd best-performing small cap PE firm, according to the latest HEC Paris-Dow Jones Buyout Performance Ranking. In 2023, VIA established its 5th fund, an Article 8 fund dedicated to promoting social characteristics. VIA equity's investment team currently consists of 14 investment professionals from four countries, located in two offices, overseeing a portfolio of 14 companies.

PROFILE

Relevant candidates are motivated, analytical, and have an interest in learning more about capital markets, M&A, and in particular private equity. While an interest in software/tech companies is valued, prior industry knowledge is not required.

The ideal candidate has the ability to work independently as well as in diverse teams and appreciates an informal working environment. Working languages are Scandinavian and English, hence having business level proficiency in either Danish, Swedish or Norwegian and English is mandatory.

The ideal candidate is graduating or has recently graduated with good academic results from a master's degree in finance or similar from business school or university. Relevant work experience during studies will be highly regarded.

GENERAL INFORMATION & PROCESS

- Expected start: August 2024 (flexible)
- Competitive remuneration package

Please forward your CV, grade transcripts, and cover letter to aba@viaequity.com by February 18th, 2024. Applications will be assessed on an ongoing basis.
