

ACCELERATE YOUR INVESTMENT CAREER IN A LEADING PRIVATE EQUITY FIRM

VIA EQUITY IS LOOKING FOR FULL TIME INVESTMENT ANALYSTS TO JOIN OUR TEAM IN MUNICH

ROLE

VIA equity is looking for curious and ambitious individuals to join our investment team. We provide a unique opportunity to work with financial, operational, and strategic challenges in a supportive and professional atmosphere.

As an investment analyst you will be an integrated part of VIA's investment team and assist in the entire investment cycle including deal origination, screening, due diligence, negotiation of terms and conditions, portfolio management and exit processes.

In particular, your responsibilities will include:

- Contributing in the process of screening and/or evaluating potential investment candidates, including meeting and assessing management teams and running financial and commercial due diligence work streams.
- Market and industry research.
- Preparation of financial valuation models and presentations of investment candidates.
- Assisting on specific development projects within portfolio companies.

We are hiring for a position in Munich that requires some travel, mainly within Germany and to other German-speaking countries, as well as Copenhagen.

PROFILE

Relevant candidates are passionate, motivated, analytical, and have an interest in learning more about capital markets, M&A, and in particular private equity.

Furthermore, the ideal candidate has the ability to work independently as well as in teams and appreciates an informal working environment. Working languages are German and English. Both verbally and in writing at business level are compulsory.

The ideal candidate has recently graduated within the last two years with good academic results from a master's degree in finance or similar from business school or university. Relevant work experience during studies and/or after graduation will be highly regarded.

GENERAL INFORMATION & PROCESS

- Expected start: flexible
- Competitive remuneration package
